TO WHOM IT MAY CONCERN

I would like to confirm that Mr. Kunal Kapadia , Mr. Tarun Kumavat , Ms. L.R Juheeshwari , Mr. Daxesh Mehra studying Computer Science and Engineering at Parul Institute of Engineering and Technology, had worked with A.Live Mind for 1 Year (June 2013 - May 2014).

Kunal Kapadia , Tarun Kumavat , L.R Juheeshwari , Daxesh Mehra are currently being trained in the IT division of A.Live Mind.

They had been working on "**Employee Tracking System (ETS)**" project till May 2014 and got trained in Android, Java, PHP and MySQL.

We found them to be punctual and careful in their work. They also impressed us with the professional way that they handled themselves.

The Technical guide for the interns was Mr. Sumit Ahuja : +91 8460841690/ sumit.a@alive-mind.com
